

The International Association of Plant UV Research announces the
5th Network Meeting of the UV4Plants Association
20. – 22. March 2024 in Goettingen, Germany

Dear colleagues,

You are cordially invited to participate in the 5th Network Meeting of the UV4Plants Association, taking place from the 20.–22. March 2024 in Göttingen, Germany. Registration is now open. Please use the file provided on the UV4Plants.org website (<http://www.uv4plants.org/>). You will also find the template for the abstract submission there. For early stage researchers, a training school will be organized before the meeting from the 18.–19. March 2024 - further details will be given via the UV4Plants.org website.

Conference topics

You are kindly invited to contribute to one of the topics, which are outlined for this network meeting:

“Advances in UV photoreceptors”

“UV photoperception and photoprotection”

“Adaptation and acclimation to UV”

“Interaction of UV radiation and other environmental factors”

“Practical applications of UV radiation”

Contributions are planned to be keynote lectures of 25 min, short presentations of 15 min, including discussion, and posters with short pitches of 2 min. The language of the conference is English.

Networking and discussions

As established during previous network meetings, networking, and discussions with colleagues will be prioritised. We will organize scientific discussion panels scheduled within the programme and a welcome evening on the 19th of March. Furthermore, we will have a conference dinner on 21st of March to which everyone is invited.

Venue:

The conference will take place at the Tagungszentrum an der Sternwarte, Geismar Landstraße 11b, 37085 Göttingen, Germany. The training school will be conducted at the Department of Crop Sciences, Division Quality and Sensory of Plant Products, Georg-August-Universität Göttingen, Carl-Sprengel-Weg 1, D-37075 Goettingen.

Travel information:

Göttingen can be easily reached via car or train. Recommended airports are Hannover, Frankfurt (Main), Berlin or Hamburg with a need for additional travel.

Important dates:

- January 28th 2024: Deadline for early bird registration and abstracts submission
- January 28th 2024: Application for training school

Registration:

The registration fee will include the welcome evening, lunches, tea/coffee breaks, the abstract book, and the conference dinner.
